Table 1: Election Calendar for 2016

Following successful elections, results were published on the 12th August 2016, The ISOC Gambia took off with a new executive team as was announced by the Chairperson of the Election Committee Board. The elected members of the executives are:

1. Mr. Bakary Njie: Chairperson
2. Mr. Lang Loum: Vice Chairperson
3. Mr. Alagie Ceesay: Secretary General
4. Ms. Amie Njie: Treasurer

The two year term started 12th August 2016

2. POST ELECTIONS AND ROADMAP

After formally accepting roles, the newly appointed executive team convened an informal meeting mid-August to draft action plans and identify areas of priority.

Following the first meeting, Two WhatsApp groups were created:

1. ISOC Gambia Executives
2. ISOC Gambia Committees

The purpose was to help facilitate activity plans and urgent discussions.

The Website was revamped and rebuilt at www.isoc.gm with 1year Free Hosting by NWeb Plus

3. ROADMAP 2016/2017

The executive and the standing committees convened a series of meeting to create a roadmap, review plans and discuss engagement and outreach activities.

Priorities identified were:

1. Create Standing Committee Groups to support activities and form a structured work flow. Standing Committees formed include:
 - a) **Programs Committee:** Chairperson, Muhammed Njie
 - b) **Publicity Committee:** Chairperson, Modou Njie
 - c) **Membership and Outreach Committee:** Chairperson, Babucarr Sambou
2. Creating an active local community and build a strong **stakeholder engagement and partnership**
3. Draft plans for events such as:

- a) Outreach to engage University Students and civil Society organizations
 - b) Workshops to build capacity of local Engineers
 - c) Outreach to promote internet literacy and Access
4. Discuss how to avail an office space for ISOC Gambia chapter with Internet facilities
 5. How to create partnership between the Chapter and other Internet Governing (IG) bodies such as:
 - a) Join AfRALO as an Atlarge (ALS) under ICANN
 - b) Cross chapter collaboration

4. FORMAL MEETINGS TIMELINES:

Only formal meetings were recorded.

These records exclude event specific meetings which were convened for event plans etc. it also excludes email and WhatsApp group discussions. Event driven meetings are not captured in this report:

4.1 Executive meetings

- ✚ 2nd Executive meeting held on the 24th September 2016,
- ✚ 3rd Executive meeting held on Sunday, 2nd October 2016.
- ✚ 4th Executive meeting held on Saturday, 15th October 2016.
- ✚ 5th Executive council meeting held on the 8th April 2017

Minutes of all meetings can be found in the ISOC Gambia AMS library.

4.2 Stakeholder meetings

4.2.1 THE MOICI MEETING

Thursday 15th September 2016, Venue - MOICI board room

Stakeholder engagement: Meeting was by invitation from the Ministry of Information Communication and Infrastructure (MOICI). Meeting was attended by Director of ICT, Principal ICT officer, and team.

Discussion was centered on how to support the delegation/transfer of Gambia's ccTLD. Also discussed was how to partner and engage as local stakeholders with a common vision to develop ICT, Internet literacy, Capacity, and Infrastructure.

4.2.2 GENERAL STAKEHOLDER MEETING

Thursday 8th March 2017, Venue - ISOC Gambia

Stakeholder engagement meeting - Was attended by senior officers of local stakeholders, among them:

1. Director at the Ministry of Information Communication and Infrastructure (MOICI) with team.
2. Director of Consumer Affairs, with Director of ICT and team from the National Regulatory Authority (PURA).
3. Rep, Dean of Schools of ICT and Computer Science University of the Gambia
4. Head of School of Computer Science, American International University
5. CIO of Qcell Limited/Chairperson of Serrekunda Internet Exchange Point (SIXP)
6. Administrator of Serrekunda Internet Exchange Point (SIXP)
7. Director of The Association of Non-Governmental Organizations (TANGO)
8. Managing Partner, Temple Legal Practitioners (Also member of ISOC Gambia election Committee)

Discussion was centered on ISOC Gambia's mission, activity plans and how do we establish collaboration strategies, partnership in development of local Capacity, literacy and infrastructure.

4.2.3 UNIVERSITY COMPUTER SCIENCE ASSOCIATION

Wednesday 3rd May, Venue - ISOC Gambia office

Stakeholder engagement Meeting and Outreach with the University Students body – Was a meeting between ISOC Gambia and the Computer Science Association of the University of the Gambia (ITCA). In attendance were:

1. President of the Computer Science Association and her executive members
2. President of ISOC Gambia and the executives (including Heads of the Standing Committee).

Discussion was about getting more students onboard from the University to take up leadership roles and get involved in ISOC Gambia activities and help partner in outreach strategies.

4.2.4 MEETING WITH THE MINISTER – MOICI

Monday 18th September 2017, Venue - Office of the Minister

Meeting with the Honorable Minister Demba Jawo at the Ministry of Information Communication and Infrastructure (MOICI)

Meeting was attended by the Minister, Internet Society's Director of Africa Regional Bureau Dr. Dawit Bekele, and ISOC Gambia Executives.

Discussion was focused on introducing ISOC Gambia and Dr. Dawit Bekele to the new Minister.

4.2.5 MEETING WITH MANAGEMENT OF THE REGULATORY AUTHORITY – PURA

Monday 18th September 2017, Venue - Boardroom at PURA office

Main goal of the meeting was to introduce Dr. Dawit Bekele and ISOC Gambia to the general management of PURA. Opportunity was used to discuss the Chapter`s mission and future engagement and partnership plans.

4.2.6 MEETING WITH CIO QCELL/CHAIR OF THE INTERNET EXCHANGE POINT

Monday 18th September 2017, Venue - Office of the CIO Qcell Limited

Main goal of the meeting was to introduce Dr. Dawit Bekele to the Chairperson of the Internet Exchange Point, who is also a partner and sponsor of the ISOC Gambia Chapter activities, Mrs. Isatou Jah.

The chapter executives used the opportunity to thank Mrs. Jah for her role in pioneering Internet development in the Gambia and also in supporting the Chapter activities.

4.2.7 MEETING WITH THE GAMBIA NATIONAL STANDARDS BUREAU - TGSB

Thursday 26th October 2017, Venue – ISOC Gambia Office

In recognition of the ISOC Gambia Chapter as a valuable local stakeholder, The Gambia National Standards Bureau (TGSB) visited the ISOC Gambia office to discuss ways the chapter can contribute to an ongoing national ICT and Internet Standards Development process.

5. ACTIVITIES AND EVENTS

5.1 TRAVEL FELLOWSHIPS FUNDED BY INTERNET SOCIETY (ISOC) TO GAMBIA CHAPTER MEMBERS

- 1. Ms. Amie Njie – Treasurer, ISOC Gambia:** Attended African Chapters Advocacy meeting in Cameroon.
Date: 18th to 21st September 2017.
Purpose: As part of Chapter`s leadership workshop held in Cameroon where delegates from various chapters in Africa converged to discuss and strategize areas of development such as Access, Privacy etc. [MORE DETAILS](#)
- 2. Mr. Lang Loum - Vice Chair, ISOC Gambia:** Attended the Africa Regional Dialogue meeting and conference in Kigali Rwanda.
Date: 7th to 10th May 2017.
Purpose: Represent the Chapter at the Africa Regional Internet Development Dialogue (RIDDD) to discuss Internet for Education and Internet for Economic development and how ISOC Africa and the chapters can work together to promote the use of the Internet as a catalyst for inclusive and quality education and economic development. [MORE DETAILS](#)

3. **Ms. Juma Baldeh - ISOC Member:** ISOC Gambia provided a formal letter of recommendation in support of Ms. Baldeh’s application for fellowship to attend the celebration of 25th anniversary of the Internet Society in Los Angeles USA.

Date: 18th September 2017

Purpose: As part of Internet Society’s celebration to recognize 25 young people around the world who are taking action and using the Internet as a force for good. Ms. Baldeh was selected as one of the 25 under 25 awardees recognized by the Internet Society. [MORE DETAILS](#)

5.2 EVENTS

SPONSORED LAUNCHING OF HACKERTHON GIRLS:

As part of the chapter’s mission to partner and support local Internet literacy and Access development initiatives, the chapter donated Five Thousand Dalasis (**GMD 5,000**) [to support the launching](#) of the Hackertthon girls which was attended by the ISOC Chapter chairman, Mr. Bakary Njie on behalf of the chapter.

Date: 23rd May 2017.

Purpose: To enhance the charter's influence and profile through supporting/encouraging smaller Projects and initiatives.

9. THE GAMCHIX PROJECT

The long term vision of the Afchix 2017 workshop was to train and retain the participants to form an active community of women Engineers in the Gambia who would be capable of leading a national Network Operators' Group, CyberSecurity and local IG experts.

To continue the journey to this vision of building a national community of Engineers, Security and Policy makers, the Chapter continued to work with Afchix participants after the workshop in creating this roadmap.

9.1 CURRENT PROGRESS and ACHIVEMENTS

9.1.0 ACHIVEMENTS: Created an IETF 101 Fellow to London, and a Diplo IG sponsored Scholar, - one other participant (member) is ICANN Nextgen Fellow - all Females

9.1.1 Inforum online UNIX and DNS training:

Participants were given further follow up training on UNIX and DNS through Internet Society's Inforum online courses which was lead and moderated by **Mr. Kevin Chege, Internet Development Manager for Africa, Internet Society**

9.1.2 Registration and Constitution:

1. GamChix has been successfully registered as nonprofit Association of local Engineers under

the Registrar of Companies, AG chambers, the Gambia Ministry of Justice.

2. A constitution has been written and adopted with an executive board consisting of:
 - Two Members of Advisory Board
 - Chairperson
 - Vice chairperson
 - Secretary
 - Treasurer and PRO

9.1.3 Mailing list hosted by NSRC:

All participants including instructors and Mr. Kevin Chege are currently on active discussions and collaboration on the GamChix mailing list hosted by **NSRC**. Current topics are centered on:

- Identifying other training needs
- Creation of Working Groups to accomplish tasks.

9.1.4 Working Groups:

Current Working Groups in progress are:

- [Mentorship Program for University Computer Science students](#)
- [Research Group on Safe Browsing](#)

9.1.5 Conference call with Kevin Chege

Participants also held a conference call with presentation by Kevin on December 4th 2017 as part of the online training to discuss challenges and way forward and a second call is currently

10. Dr. Dawit Bekele's Visit to ISOC Gambia

Dawit Bekele, the Internet Society's Regional Bureau Director for Africa, paid a visit to The Gambia from 17-18 September 2017. This was the first time a senior Internet Society staff visited The Gambia with the intention of meeting Internet Society Gambia chapter leadership, members, and local partners.

PURPOSE:

The aim was to discuss our past and future plans for more engagement and future Internet development. It was also an opportunity to raise the profile of the Internet Society Gambia Chapter.

Fig.13-Dr. Dawit visit to The Gambia with ISOC members
