- The chairperson seized the opportunity to address unpunctuality among members, she advised members to be timely and attend meetings. The date, place and time remain the same i.e. 5pm, last Sunday of the month, TANGO Building unless stated otherwise.
- She also raised concern on the lack of attendance from the members. She noted that it is not a good sign that the numbers keep dropping without any explanation and if we want our future events to be successful all hands must be on deck like when we started.
- She also raised the fact that the calendar of activities has not been followed and we are not consistent with our projects. For instance, we need to continue with the safe browsing and PowerPoint presentation as planned. The career day and MOU with UTG also needs to happen. We need to do more trainings as we agreed on from the start. This will help build capacity within ourselves and equip us to train others.
- Regarding the anniversary, the letters have been distributed to the respective stakeholders. Members are reminded to make follow-ups as well. Some updates were given but we still need to get concrete feedbacks.
- She commented that the proposed YouTube/Facebook live Channel is a good idea, but emphasized the channel should be active and consistent. Thus, everyone is kindly

encouraged to support and volunteer in order to facilitate the smooth running of the channel. Their videos will be pre-recorded for editing.

- She asked for support or volunteers to work with Amie Njie, on making the Facebook and website pages lively. She reemphasizes the page been very dormant over the couple of months.
- She reemphasized on having posters and flyers to get people to know more about GamChix as way of making the organization gain momentum.
- Members are kindly urged to bring forward their contributions of **D500** to be paid to the Treasurer-Emily or deposit to our **Trust Bank Account Name: GAMCHIX and Account No 112-134898-01** in order to support the upcoming GamChix anniversary.
