- **Online Safety program**
- **Reshuffling GamChix Membership**
- **Monthly Contribution**
- **Building Partnership with other stakeholders**

The Chairperson commented on the attendance as a discouraging moved. Gamchix has been in existence for quite a while and its mandate has to be strengthen in striving towards our mission and vision.

A Tentative Schedule has been proposed in order to finalized with our trainer- Emmanuel from Ramsys InfoTech Solutions who has been very phenomenal to partner with Gamchix to conduct a training activity with our past trained kids.

Point of Action

- Marie Ellen and Esther have been assigned to follow-up with our trainees in the previous cohorts.
- The proposed tentative training activity has been slated for **Friday, 4th December 2020 at Jokkolabs.**

Reshuffling the Gamchix Membership

Most of the assigned executive roles have been inactive and this situation would affect the productivity of the association. Gamchix has its constitution and the Executive body is crucial in this development. Notwithstanding, the reshuffle activity would also allow new members to register with GamChix.

Monthly contribution

Members are urged to pay up their contribution fee to facilitate and support GamChix programs.

Points to Note Kindly liaise with **Emily, Treasurer** to spot and pay your arrears.

Building partnership with other stakeholders

- GamChix have proposed to partner with other stakeholders – **GIZ** in the form of MoU to share mutual relationship.

Point Of Action

Fatou Secka, Vice Chairperson has been assigned to liaise with Mr. Sallah on facilitating an office space to host GamChix and hopefully for the updates By **Wednesday 2nd of December.**

- Currently, the MOU with ITCA and GamChix for 2020/2021 still pending, notwithstanding the present executives are looking forward to their elections.
- To Meet up With St John's School for the Deaf and GOVI to Offer Maintenance Service as an activity to capacitate their institution.
- To Partner with schools and train teachers on activities relevant to our mission, so as to empower and capacitate GamChix mission most especially with public school.

AOB

- GamChix to have an office space and an equipped lap to conduct training activities
- GamChix Anniversary Preparation for 2021
- GamChix was featured by **HiTech Show** and would be broadcasted in their upcoming episodes

The Next Meeting has been slated for Sunday **13th December 2020.**
