### **UPDATES FROM OUR LAST MEETING**

- The chairlady Esther King gave a summary of our previous meeting in March in which a new executive was set-up and plans for a summer training were made.
- Marie Ellen who serves as the events coordinator responded on behalf of the team tasked to visit the Gambia Telecommunications and Multimedia Institute. GTMI was

identified as a venue for the summer training but the team was not able to visit the institute as tasked and promised to do so and present updates on our next meeting

- The chairlady suggested that Marie calls on other Gamchix members to come on board and share the responsibilities so as to attain the goal of having a successful summer training this year.
- Other members who were not present during the previous physical meeting confirmed that they agree with the new executive set-up.

### **SUMMER CAMP 2.0 ACTIVITY**

- Marie gave a run down on what the first summer training was like and suggested getting another set of girls from a lower grade than the first cohort and still do the same training for this set provided the presenters are available.
- Esther suggested that Marie recruits more people to get more hands on deck and prepare for the summer training by calling on the first cohort of students trained or a few university students to be volunteers.
- Anna responded and promised to speak to a few university students about volunteering.

### **AOB**

- A headcount of all Gamchix members should be done.
- Membership fees are very important but are pending for some members. Kindly settle this and reach out Emily to make the necessary updates.

**NB:** All members who have been assigned tasks are requested to present updates on our next meeting.
